Dragi učenci,

pa smo nazaj. Upam, da ste imeli prijetne, čeprav malo drugačne počitnice. Kot kaže, zelo kmalu se vidimo. Se že veselim, čeprav ne vem, kako bo to izgledalo, ker ne bo čisto enako. Zato vas vabim, da mi napišete mail, v katerem opišite, kako se vam zdi trenutni načrt zaključka šolanja, o čem razmišljate itn.

So, my dear students, tell me what is your view on a current (schooling) situation, are you looking forward to going back to school or not, where do you see any challenges, what is positive about coming back etc.

I'm expecting your emails ASAP (as soon as possible) as I'm about to plan our further activities based on your thoughts as well.

I'm looking forward to your writings.

Write to you soon,

Kind regards,

teacher Ivana
